To Open

Lift the Panel foot to release the locking mechanism. Grab handle and pull. The piston lift system will assist in raising and lowering the bed. Panel foot supports the bed, and becomes the leg resting on the floor once opened.

Please Note:
Horizontal Beds
come ONLY in the
Standard Cabinet
Style

Example of a
Horizontal Bed
opened.

The length of the
Wood panel
(foot) to the top
of the mattress
remains the same
as our Vertical
Bed Options.
Orientation does
not change Bed
Height

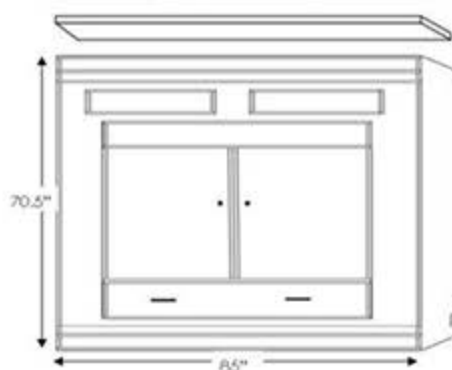

Horizontal Beds can be finished on top with
a matching hardwood board. Costs Extra
