Euro Table Bed (EV)

Table Size: 40w x 51d

Woodland Table Bed

Table Size: 40w x 51d

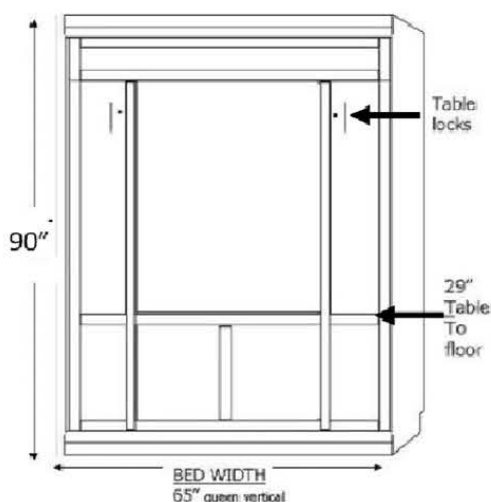

Please Note:

Table Beds will have different sized table top surface areas. Please consider the size of the table as you pick your Table Bed. Each table can hold up to 150lbs. Each table comes with locks under the table for stability

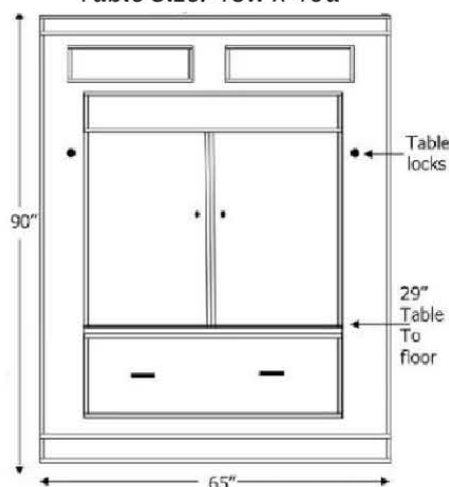

Ryland Table Bed (RV)

Table Size: 40w x 51d

(BV)

Barrington Table Bed
Table Size: 48w x 40d

1. Standing on the side of the bed, lift the panel foot.
2. Unlock the table locks. Lower the table.
 - Keep your hand under the table for support while your left hand rotates the leg around, until it touches the floor (to support the table top).

NEVER FOLD THE TABLE LEG UNDERNEATH THE TABLE

it will break the leg.

4. Secure the legs in place. Under the panel foot is an eye. Located on each of the table bed legs are hooks. Insert the hook into the eye to secure the legs in place. **Failure to secure your table legs COULD RESULT IN THE TABLE COMING DOWN** with everything on it and may cause serious injury.
